Description

Features

4D Precision Model Kits introduces to you the official 4D Star Wars Imperial AT-AT™. Manufactured with our Precision Core-Data™ Technology.

The AT Terrain Armoured Transport, or AT-AT walker, is a four-legged transport and combat vehicle used by the Imperial ground forces. Standing over 20 meters tall with blast-imperious armour plating, these massive constructs are used as much for psychological effect as they are for tactical advantage.

A full instruction booklet is included. A tube of 6 ml modelling glue is also provided as small amounts are required during the final steps of the assembly.

Puzzle Pieces: 214 pcs

Scale: 1:64
