Description

Features

4D Precision Model Kits introduces to you the official 4D The Mandalorian Boba Fett's Starfighter™. Manufactured with our Precision Core-Gate™ Technology.

A powerful pursuit craft made famous by Jango Fett in the days of The Republic, this ship was inherited by Boba Fett for his career as a bounty hunter. The aged, but effective ship is loaded with hidden defensive and offensive weaponry and equipment, and has a reputation earned from decades of successfully capturing captives.

A full instruction booklet is included. A tube of E-6000 modeling glue is also provided as small amounts are required during the final steps of the assembly. Additional stands are included for final display purposes.
