Description

Features

4D Precision Model Kits introduces to you the official 4D The Mandalorian Boba Fett Helmet™. Manufactured with our Precision Core-Gate™ Technology, each model is an Official Star Wars™ Licensed Product.

4D and Lucasfilm have officially partnered together to bring you the most detailed 4D kits we have manufactured to date. With our Precision Core-Gate™ Technology our modeling sheets are manufactured with 1.45 mm thickness. All color specs are approved through pantone references to match the true likeness and color. The final assembled product is a real-life collectible model for the core fan.

All instruction booklet is included. A tube of 6 ml modeling glue is also provided as small amounts are required during the final steps of the assembly. Additional stands are included for final display purposes.
