Description

A beauty from yesteryear! Create a legendary masterpiece from our all wood kit of the 1930 24 ft. Chris-Craft Mahogany Runabout. The construction of this kit features a double planked hull with birch plywood on the inside with mahogany strip planking on the outside. A complete set of fittings is also included. Running hardware including shaft, stuffing box, rudder, and a bronze three-bladed propeller is also in the kit. They looked great on the lake in the 1930s, and they can look great on the lake again today.
