Description

This sporty little speedster from the late '40s is an all-wood kit with a double-planked hull similar to our other Chris-Craft kits. Included in the kit are chrome-plated fittings, vacuum-formed seats, running hardware, and a complete set of flags and decals. The Utility Boat would be a great start into the Chris-Craft line. If you have built any of our other kits, this will make a nice addition to your fleet.

Length: 609.00mm

Beam: 22.80mm

Scale: 1:6

Running Hardware: Included in kit

REQUIRED ADDITIONALLY TO COMPLETE FOR R/C: (sold separately)

HS028 High Speed Electric Motor

HS314 Electronic Speed Control

2x2 NiMH Packages

Ni-MH Battery Charger

2 Channel Radio Control w/ Servo
