Description

The 1949 Chris-Craft 19 ft. Racing Runabout is the sleekest looking Chris-Craft to date. The 1:24 scale version of this popular racer is 23 inches long with a 9 inch beam. The wood framed hull is covered with expanded PVC and then painted with multi-gloss varnish. Like the other Chris-Crafts this kit features the finest materials including chrome plated disk fittings, complete drive line hardware, flag and burgee. Each kit contains everything needed to build a beautiful static display model for the office or den. Or make her RC! You will want to make the powerful Racing Runabout the next addition to your fleet.

Length: 711.2mm

Beam: 228.6mm

Scale: 1:24

Running Hardware: Included in kit

ADDITIONALLY REQUIRED FOR RC:

2005 High Speed Electric Motor

HS314 Electronic Speed Control
