Description

Style elegance and class the 1954 36ft. Chris-Craft Commander Express Cruiser has it all.

The 1954 36ft. Chris-Craft Commander Express Cruiser is sure to turn its fair share of heads. The Commander has the quality features you have come to expect from a Dumas Chris-Craft model. This all wood kit includes step by step instructions, complete deck fittings, vacuum molded seats and laser cut mahogany cabin detail and trim. The Express Cruiser is designed for radio control and twin screw power using two Dumas 2004 6v motors. The twin screw running hardware package for the Commander is stock no. 2369 and is sold separately. Bring style, elegance and class to your fleet of Chris-Craft models with the Commander Express Cruiser.
