### Description

The Laser Classic collection from Dumas is the best of both worlds. The technology and precision of laser cutting combined with the ever-popular Chris-Craft line. The Classic The Classic Collection kits feature laser cut balsa and mahogany parts, gel and silk decal set, display base with pedestals, step-by-step instructions, as well as a complete set of cast deck fittings. These static display models will look great in either home or office and are great kits for every level of model builder. Add to your collection with any of these Classic Chris-Crafts.
