Description

12mm Snap Blade

With 12 snap off points

When the blade gets dull, simply snap off the tip revealing a new sharp blade.

Coated with a thin layer of oil for rust protection.

Used for: routing cardboard packages, paper, plastic, canvas, cloth, film, model making, pumpkin carving, cardstock, foam boards, balsa, wood, polymer clay, vinyl, cork and other light-weight materials.

Used by: hobbyists, scrapbook artists, architects, paper artists, graphic artists, designers, crafters, homeowners, contractors and can be found in most garages.

Fits with Excel Blades K10, K14, K70, K73 and K810 Handles.

Available in packs of 5 and 100.

L - 3.183" H - 0.314" E - 3.183" T - 0.015"
