Description

DRAFT HOBBY KNIFE SET: The most effective blades on the market, this hobby crafting knife set is a perfect gift idea for hobbyists, artists, designers, or those with an interest in arts and crafts applications, wood carving, scrapbooking, model kits, and more!

13 BLADES INCLUDED: The workhorse of any professional art supplies kit, this comprehensive set includes an array of Excel K1, K2, and K5 knives with 13 assorted blades ideal for precision cutting, trimming, and stripping of wood, cardboard, paper, plastic, cloth, film, foam, and more!

4-JAW CHUCK: This basic knife craft set includes knife handles that house a 4 jaw aluminum chuck for more secure blade positioning and hold than your standard light duty knife, with a snug fitting, twist lock shaver resistant safety cap to protect the blade during storage!

PREMIUM QUALITY: Featuring all-American made components, this crafting knife set boasts double honed carbon steel blades. We hold all of our products to the Excel standard, with a rigorous look into quality of materials, hardness, and edge. Hobby knife set.

SAFETY CAPS INCLUDED: Offering a lifetime of service for a great price, this hobby carving knife set comes complete with free shaver resistant safety caps — unlike our competitors, we don't believe you should have to pay extra for your safety!

A perfect gift idea for hobbyists, artists, designers, or those with an interest in arts and crafts applications, wood carving, scrapbooking, model kits, and more!
