Description

Experience the thrill of realistic construction play with the Huina Toys 1317 Semi Alloy RC Container Truck. This powerful, remote-controlled truck brings all the excitement of heavy-duty cargo hauling right into your hands. Built with durable alloy and high-quality materials, this container truck is made to withstand hours of rugged play while maintaining its sleek, lifelike appearance.

Equipped with a 7.4V 500mAh Li-Ion battery and USB charger, this RC truck delivers extended playtime and easy recharging, making it perfect for enthusiasts and collectors alike. The detailed control allows for smooth maneuvering, making it feel just like operating a real container truck on a miniature scale.

FEATURES

Design: Semi Alloy body with realistic container truck detailing.

Battery: 7.4V 500mAh Li-Ion battery for extended playtime.

Charging: Includes a USB charger for convenient recharging.

Functionality: Full remote control for forward, backward, left, and right movements.

Ideal for: RC enthusiasts, model collectors, and fans of realistic construction vehicles.

Whether for display or hands-on play, the Huina Toys 1317 RC Container Truck delivers a realistic and immersive experience, making it a fantastic addition to any remote control vehicle collection.
