Description

FEATURES

RC Bulldozer Truck: Support to driving forward/backward movement, left/right turns, and control sound and lighting settings. You can also control the cutoff function, representing real operational sounds and lights, loading and unloading, adding playability.

Outstanding Control System: The 2.4GHz anti-interference, automatic pairing system allows multiple vehicles to be played simultaneously without interference.

Multi-terrain: Featuring vibrant eco-friendly colors, the flexible rubber tires, wear-resistant, as well as deep treads for improved grip, and reduce road vibrations effectively.

High Quality: This well-crafted 1/18 Scale 2.4GHz RC 6CH Bulldozer model boasts realistic details with premium ABS materials, is durable, and resistant to impact.

Excellent Gift: It's a great gift for your children, friends, and any family member for birthdays, Christmas, Easter, and other significant holidays, providing an excellent experience for you and your friends.
