#### OVERVIEW

Run the Pro Boat Aerotrooper 25-inch Brushless Air Boat practically anywhere. Even on land! Featuring a 2200kv 480 Brushless outrunner motor with 3-blade airplane-style prop mounted above the hull, you can explore large bodies of water, plant-infested swamps, small grass fields, and even snow and ice. Keeping with the theme, a tactical/military hull scheme with removable gunst, molded handrails, and cage add to the scale realism. Plus, the scale cockpit with seat and steering fits most action figures. Injection molded two-piece composite canopies are durable with a secure restraint system keeping all electronics safe during use. LED lights make the fun doesn't stop when the sun goes down. Explore new terrain with a one-of-a-kind boating experience.
