Description

With over 7000 units manufactured, the UH-1D is the most-manufactured helicopter in the West. Scale 1/72. 115 pieces. 17.5 cm length. For ages 12 and above.

The UH-1D, at over 7000 so far, is the helicopter built in the greatest numbers in the western world. It has an outstanding reputation, is reputed to be one of the safest aircraft and, with two large sliding side doors, can also carry bulky loads. The German air force uses the UH-1Ds primarily for SAR missions which also enable them to comply with international safety obligations. - Detailed fuselage - Movable main rotor - Interior with seats and instrument panel - Optional racks with stretchers - Cabin deflector and antennae Decals for 2 German air force versions: - Bell-Dornier UH-1D of Lufttransportgeschwader 62 at Sch?newalde/Holzdorf - Bell-Dornier UH-1D of Lufttransportgeschwader LTG 61, Penzing, Germany.
