Description

To a professional trucker, this beauty is a symbol of dependable performance. To a traveller, it's a common sight on the highways. Scale 1/25, 116 parts, 30.2 cm length. Suitable from 12 years.

To a professional trucker, this beauty is a symbol of dependable performance. To a traveller, it's a common sight on the highways. Peterbilt 359 Conventionals have racked many millions of miles over the years hauling goods from coast to coast. Hood lifts open to display six-cylinder turbocharged Caterpillar diesel engine. Main chrome plated cards including grille, fuel tanks, simulated alloy wheels and dual exhaust stacks. Large sheet of color waterslide decals including stripe graphics, license plates, fuel tank stickers and grille teeth. Molded in white and clear with chrome plated parts and soft black tires.
