### Description

**NEW Rován Chrome Steel High Performance Tuned Pipe**

**This Pipe will allow you to get the most power from your 23cc-45cc engine!**

**If you have a stock muffler on your buggy and you put this pipe on it will give you BIG power gains throughout the entire power band.**

**A difference you will see, feel and hear!**

**Comes with everything needed to install.**

**Very nice quality construction.**

**HP1 5b, 5t, SS also fits King Motor and Rován Baja buggies and trucks. Fits CY and most Zeroash motors as well from 23cc to 45cc.**
