Description

Metal Earth 3-Piece Tool Set facilitates the building of 3D museum quality models from steel sheets.

INCLUDED

Shear - Great for cutting pieces from the metal sheet. Eliminates the need to remove each piece by bending back and forth.

Flat Nose Pliers - Used to hold parts securely and to create tight connections by pulling and twisting tabs.

Needle Nose Pliers - Also used to hold parts plus bend and twist tabs but can reach places in which the flat nose pliers do not fit.
